**If you do any of the above please join us in a sponsored practice to raise money for the Tobin Trust and improve your playing!**

*There are prizes for our top 3 fundraisers!*

## The Tobin Music Trust needs your help….

The Tobin Music Trust was established in September 2005. It consists of a group of non-paid trustees with the brief to preserve, protect and promote the future of the Tobin Music System. The Trust needs to raise £40,000 in order to make a series of 10 films and 10 books so future generations of children have access to a quality music education. There is already an introductory film that can be seen for free at www.tobinmusic.co.uk You will understand why this system is so beneficial and why the Trust want to ensure it is made accessible to all children and teachers.

## Practice is the only way to improve!

The sponsored practice is a great way to nurture good practice habits and discipline. You can only get better by practicing; there is no magic formula! Making music also helps children to develop key literacy and numeracy skills so there is a lot to gain by getting involved with this event.

Discuss with your parents or teacher a suitable amount of time to devote to practice each day during the 2 weeks. It might be 10 minutes a day if you are a very young beginner or over an hour a day if you are more accomplished.

Fill in the form opposite and ask an adult to tick off each day you have practiced. Tell your family and friends about the sponsored practice and ask them to support you. Once you have completed the 2 weeks collect money from your sponsors and send it with your form to your teacher so that it can be sent off to the Tobin Music Trust. Alternatively you can send cheques payable to the Tobin Music Trust at:

**The Tobin Music Trust, The Old Malt House, Knight Street, Sawbridgeworth, Hertfordshire, CM21 9AX**
